Bernese Mountain Dog Club of America Draft Test Purpose

The Bernese Mountain Dog Club of America Draft Test is a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations.

Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

Awards

All participating teams will receive a suitable keepsake. Qualifying teams will receive a rosette and a trophy item. Brace teams will receive two rosettes and two trophy items.
