

## Welcome back to Berner University!

Our educational conference this year represents a unique opportunity of unparalleled value to Berner owners so invite your friends and puppy owners to join us. We are pleased to present a faculty of experienced BMDCA members and distinguished guests.

The Berner U Registration fee of \$40 per person permits you to attend three days of seminars and workshops and receive a packet of educational materials. Register early as space is limited for some workshops.

**To register: select the classes you prefer for each time period and mark them with 1st choice and 2nd choice on the chart below and return the class schedule with your registration. Please use the master registration form to register for Berner – U classes and workshops.**

Confirmation of admission will be sent prior to the specialty. Complete descriptions for seminars, workshops and faculty biographies are available at [www.BernerU.org](http://www.BernerU.org).

Well behaved dogs are welcome in all classes.

The Breeders' Symposium on Monday, co-sponsored with the BMDCA Breeder Education Committee, features **Dr. Claudia Orlandi's exciting "The ABCs of Dog Breeding — What Every Breeder Should Know"**. Dr. Orlandi will present the full seminar from 9 am to 4 pm and then repeat it in an abridged version from 7 to 9 pm for those arriving late in the afternoon or taking other classes during the day.

Indicate on the registration form if you wish to order Dr. Orlandi's excellent companion book **The ABC's of Dog Breeding Home Study Program** for \$25. All books must be pre-ordered.

\* The European-style Sieger Evaluation has an additional fee of \$40 per dog. Dogs must be 12 months old to participate. A respected AKC BMD breeder judge will evaluate over 30 different conformation characteristics. All will hear the verbal critique and you will receive a written, signed record of the evaluation. There is no fee to observe the evaluations — everyone is welcome.

\*\* BMD Needlepoint class has a materials fee of \$45. BMD Knitting class has materials fee of \$15.
