We encourage you to include your dog's **Bernergarde** number in the text of your ad. **Health Certifications:** any claim of health evaluation/certification must include the certifying registry, certification number and months (number) at certification. Certifications issued by the Canadian registries are acceptable. **Titles:** Titles that may appear before the dog's name are AKC, FCI and national (CKC, Mex. Nor, DK, Lux, Bur) champion titles. Any champion title not awarded by these organizations may not be included as part of the dog's registry name but may be noted in the text of the ad. AKC and CKC obedience, tracking and agility, as well as CGC and BMDCA and CKC draft titles appear (in that order) following the registry name. Titles earned in the AHBA trials, although recognized as titles toward BMDCA Working Dog and Versatility awards, must be acknowledged in the text, not attached to the dog's registry name. Best in Show, Best in Specialty Show, Therapy Dog, Temperament Test, Herding Instinct are not titles and should not be attached to the dog's registry name. These achievements may be noted in the text of the ad. For a complete summary of the rules, see the BMDCA Specialty Manual.
