JUDGE: REGULAR & NON REGULAR BITCH CLASSES

MRS. JANET LOBB

Along with husband Joe, we have lived in a small village in South Western Ontario, Canada (now closing in on 50 years), where we've been involved in Dogs since 1974, with our first breed, Dobermans. We were always a small kennel, breeding only one litter per year. There have been many champions along the way from all litters, with many highlights. These include top awards at all levels in All breed events as well as specialties, including Nationals. All of these dogs were breeder/owner handled. We also bred and owned the top producing female in Canada in 1990, with 7 champions finished that year, which in turn tied us as the Pedigree Pal Breeder of the year for Dobermans in Canada. In the late 1990's we were also co-breeders of Canada's Top Doberman. In 1988 we added the smooth fox terrier breed to our household. We bred multiple Canadian and American champions. We have had Canada's 'Top Smooth Fox' on several occasions, and dogs that were either owned or bred by us have won the Canadian National Specialty three times. A particular win of note would be AOM at the American National (Montgomery) in an entry of one hundred and sixty seven. These breed entries are unheard of these days. Over the years we have had many excellent dogs of other breeds in our household and in our charge, some of which we owned and some we handled for other prominent breeders and owners. We handled professionally, (Joe primary and Janet more as assistant and backup) for twenty-five years. This consisted of some of Canada's top or top ranked dogs Handled breeds of note were Dobermans, Bernese Mtn Dogs, Boxers, Australian cattle dogs, German Shepherd, Bouvier, Collies, Smooth fox terriers.

Wheatens, Pugs, Chins, Setters, Springers, Goldens, Labs, Greyhounds. We particularly fancied the B&T
Coonhound breed and owned and exhibited two in later years, both BIS winners. We also owned, exhibited and
are involved with the German Shepherd breed and handled at many Specialty events in the earlier years and have
been active members with the National club.

I started judging (1996) and have been CKC licensed for 'All Breeds' for well over a decade. To date I have judged in Canada, USA, Australia, Bermuda, China, Mexico, Colombia, Argentina, Japan, Slovenia, Finland, Ireland, New Zealand, Sweden, Peru, Chile, South Africa and Wales. I've been honoured to have awarded "BIS" in many of these countries. Assignments have included many 'Specialty' events... including national/regional/chapter club shows.

As it relates to the BMD, I assisted with the handling, care and management of the breed from the early 1980's up the 2000's. Many Canadian and American Top Berners spent time with our family for training, conditioning and exhibiting. We have maintained a great interest and have continued to follow the breed over the years. As well, Joe and I have been honoured to have judged many of your breed Specialties and enjoyed evaluating and gaining further knowledge of the breed from many countries around the World. These dogs will always hold a Special place in my heart. When our children were quite young there was often a Dobe and Berner on either side of them...the best friends and protectors. I am so very honoured to judge the females at the 2025 American National and am looking forward to an enjoyable assignment with one of my favorite breeds.
