

The BMDCA Illustrated Breed Standard

Nancy Stewart

Tuesday April 29 3:00-5:00p.m.

The goal of this seminar is a thorough understanding of the AKC Approved Standard of the Bernese Mountain Dog. We will go through the standard utilizing the Illustrated Standard and the presentation which is currently used in Judges Education Seminars to prepare judges to become approved to judge our breed. This will be an open forum with time for questions. The seminar should serve to be useful to new and experienced owners, breeders and prospective judges. Participants are encouraged to bring their copy of the Illustrated Standard if they have one. Illustrated Standards will also be available for purchase at the seminar for \$20.
