

2024 BMDCA NATIONAL SPECIALTY RV CAMPING

You can reserve your RV space for on-site camping at Purina Farms for the 2024 BMDCA Specialty, **beginning 31 Aug 2023**. There are 74 full electric/sewer sites only steps from the main show building, and approximately an additional 45 electric only sites 5 minutes walk away. There are expansive grounds for on-leash dog walking and 2-3 fenced exercise areas on site. Although water service at each RV site will NOT be turned on during our Specialty, individual water access at the service center is available to fill your RV upon arrival, if desired. A water truck will also be available mid-week to refill your tank at a nominal cost (approximately \$20 each). RV site cost is \$35/night for the electric/sewer sites, and \$25/night for the electric only sites. Shower and bathroom facilities are also available in the service center, adjacent to the full electric/sewer sites.

If you want to stay on site but don't have an RV, you can rent one from a number of sources. In addition to the national companies, there are several local RV companies that can set up and take down your rented RV at Purina Farms (see below). Most of these companies will not set up or take down the rented RVs on Sundays, so plan accordingly. If you rent an RV, you will also need to rent the RV site for the nights you will be at Purina Farms. Another potential source for RV rentals is RV Share (rvshare.com)*, which hosts rentals from individual owners.

LOCAL RV AND TRAILER RENTAL COMPANIES*

Byerly RV Eureka, MO (636) 938-2000

M.B. Thomas RV St. Louis, MO (800) 392-5655

Cruise America RV Rental Villa Ridge, MO (800) 671-8042

Country Camper Rentals Red Bud, IL (618) 660-8429

* Note: No endorsement is expressed or implied for the companies identified above, by the BMDCA, or the Specialty committee.

For planning purposes, there is a separate all-breed conformation show 29-31 March 2024. As a result, if you plan to arrive before Monday, 1 April, although Purina Farms RV specialists will make every effort to keep you in a single spot during your entire stay, there is a slight risk that you will need to move your RV from a weekend RV site, to your Specialty site on 1 April.

To reserve your site, the application form will be made available beginning 31 Aug, which should be completed and emailed to rvparking@purina.nestle.com. Application for an RV parking space implies acknowledgement and agreement to adhere to all RV restrictions and rules located at <https://www.purina.com/pdf/purina-farms-camping-guidelines>. **Please note in advance that there will be NO use of sawdust or shavings at RV sites.** RV parking is only allowed in designated area as assigned. The BMDCA, and supporting regional clubs, their respective boards, officers, member, agents, superintendents and the Purina Farms Event Center Complex will not be responsible for damages, loss, or injury which may be sustained on the grounds of the Complex including the disappearances or loss of any dogs. This is a self-cleaning show. Payment procedures are included on the form, and will not be requested until a site is confirmed for you.

If you have questions, please contact Chan or Tracey Keith, 618-980-5346 or email wyndriftbmd@earthlink.net.
